

ABOUT THE LAW LIBRARY

The Cleveland Law Library was established in 1869 by leading members of the Cuyahoga County bar for the promotion of the science of the law. The Law Library is one of the largest membership law libraries in the United States.

Thirteen Directors, representing a cross section of Cleveland's legal community, govern the Library's affairs. The annual dues of over 2,700 members contribute to the support of a service structure and collection of print and electronic legal materials specifically directed to meet the needs of the practicing bar.

The Library's fourth floor offices in the Cuyahoga County Courthouse are the hub of legal and business information services. Direct service extends beyond the Courthouse walls through remote access, email, fax, mail, chat and courier delivery options, all designed to get the right information into the busy attorney's hands in the most cost efficient manner possible.
